## **TRUMPF Training**

**We are happy that we are able to offer more onsite training classes again. We gladly welcome you if you are able and willing to travel to Farmington.**

**Information about our onsite training classes can be found here:**

**[https://www.mytrumpf.com/us\\_training/](https://www.mytrumpf.com/us_training/)**

If it is not possible for you to come onsite, make use of our Online Trainings. Virtual Sessions are priced at 25% of the costs of an onsite training:

- Students attend a live session with our trainer on each of the training days.
- After each session, students can download homework and reading assignments from our online platform.
- Customers who participate in an online course have the option of attending the same course onsite at 75% of the price within one year of enrolling in the online course.

-  Operator Training
-  Programming Training
-  Operator/Programming Training
-  Maintenance Training
