## TRUMPF TR END USER LICENSE AGREEMENT

This End User License Agreement (“**EULA**”) is an agreement between you (“**You**” or “**Licensee**”) and TRUMPF Makina Sanayii A.Ş. (“**TRUMPF TR**” or “**Licensor**”). The terms of this EULA apply to any software described in the Software License Note (the “**License Note**”) issued to you by TRUMPF TR (the “**Software**”) and any subsequent releases of the Software that are provided to you by TRUMPF TR, unless another EULA is provided to you in connection with any such subsequent releases. To the extent there is any conflict between the terms of any on-screen software license terms found within the Software and this EULA, the terms of this EULA shall prevail. IF LICENSEE PAYS THE LICENSE FEE SPECIFIED IN LICENSEE’S SALES ORDER AND COMPLIES WITH THE TERMS OF THIS EULA, LICENSEE HAS THE RIGHTS BELOW. BY USING THE SOFTWARE, LICENSEE ACCEPTS THESE TERMS. IF YOU DO NOT WISH TO ACCEPT THESE TERMS, DO NOT USE THE SOFTWARE.

### 1. INSTALLATION AND USE RIGHTS.

- a) **Delivery.** Subject to receipt of the License Fee, Licensor shall deliver the Software to Licensee on a storage medium such as a portable hard drive or on optical media such as a CD-ROM or DVD. Alternatively, Licensor may at its discretion deliver the Software by sending Licensee a download link from which Licensee can download the Software.
- b) **Installation.** Licensor shall provide Licensee with specifications for the hardware and software environment required to install and use the Software. Licensor shall send the Licensee a license key that must be entered by Licensee to activate the Software. During installation of the software on Licensee’s system, the Software generates a device - specific key, which is subsequently transmitted to TRUMPF TR. The Software may cease executing if Licensee modifies or updates any hardware or software components after the Software is activated. So long as Licensee has complied with this EULA and the hardware and software requirements for the Software remain satisfied, Licensor shall reactivate the license key for the Licensee upon Licensee’s written request. The subsequent activation with the license key will be performed by the Licensee. The Licensee shall bear any costs incurred.
- c) **License Grant.** Licensor grants Licensee a limited, non-exclusive right to use the Software, subject to the following restrictions:
  - The Software may be used only on computer systems in Licensee’s

possession.

- The Software may be used only for Licensee's own benefit.
  - The Software may be used only by Licensee and its authorized employees.
  - Licensee may not permit any third party to access the Software other than with Licensor's prior express written permission. The Software may be used only for the purpose of use intended by Licensor and may not be used for purposes such as competitive intelligence or analysis, reverse-engineering, or in any fashion to compete with Licensor.
  - Each device that accesses the Software is considered a "**Client**." Simultaneous use of the Software is limited to the number of Clients specified in the License Note ("**Floating Licenses**"). In no event may Licensee allow the number of simultaneous Clients accessing the Software to exceed the permitted Floating Licenses.
  - A license management program manages the Floating Licenses and uses technical measures to monitor compliance with the maximum number of Clients. Licensee must install and run this license management program according to directions provided by Licensor.
  - Licensee is authorized to make a limited number copies of the Software solely for backup and disaster recovery purposes.
- d) **Duration.** License shall extend for the period of time specified in the License Note so long as Licensee complies with this EULA. If the License Note specifies that the License is provided on a subscription basis, Licensee and its users will lose access to the Software and all license rights provided herein will cease if that subscription expires or is terminated.
- e) **Third Party Software.** The Software may contain technologies of third parties, including open-source software components that are delivered with the Software or are required for its use (the "**Open Source Components**"). These other components are licensed to Licensee subject to this EULA or under their own terms. License terms, notices, and acknowledgements, if any, for the third-party technology may be obtained upon request to the TRUMPF TR Service Department or in a notice that accompanies the Software. To the extent the terms of any license for an Open Source Component differ from those provided under this EULA, the license applicable to that component shall control as to that component. Certain Open Source Components may be licensed under terms that require that the source code for those components be made freely available. Licensee may obtain a complete machine-readable copy of the source code for such software, without charge except for the cost of media, shipping and handling, upon written request to the TRUMPF TR Service Department, or via a hyperlink that TRUMPF TR will provide upon written request. Licensee expressly acknowledges that if any Open Source Components are modified without the

prior express written approval of Licensor, such modification shall render any TRUMPF TR warranties null and void. Even if such components are governed by other agreements, the disclaimer, limitations on, and exclusions of damages below also apply to the extent allowed by applicable law.

- f) The licensed rights set forth herein are subject to the condition precedent of full payment of agreed one-time payment or ongoing subscription payments as specified in the License Note.

**2. PROHIBITED ACTIVITIES AND RESERVATION OF ALL RIGHTS.** The Software is licensed, not sold. TRUMPF TR reserves all other rights, including but not limited to all rights to patents, copyrights, company secrets, or other commercial property rights to and related to the Software. Unless applicable law gives Licensee more rights despite this limitation, Licensee will not engage in any of the following activities:

- a) attempt to circumvent any technical limitations in the Software, including those that only allow Licensee to use it in certain ways;
- b) copy (other than as permitted for backup purposes), translate, reverse engineer, decompile, or disassemble the Software, or attempt to do any of the foregoing;
- c) remove, minimize, block, or modify any notices of TRUMPF TR or its suppliers in the Software;
- d) use the Software in any way that is against the law or to create or propagate malware; or
- e) share, publish, distribute or lend the Software, or provide the Software as a stand-alone hosted solution for others to use, or to transfer the Software or the license granted under this EULA to any third party, except as provided below in Section 4.

The Software is protected by copyright laws and international copyright as well as other intellectual property laws and treaties. Copyright notices, serial numbers or other features used to identify the Software must not be removed or changed. The same applies to suppressing the display of such features on the screen.

**3. CONFIDENTIALITY.** The Software and related documentation constitute Licensor's confidential information and are disclosed to Licensee in strict confidence. Licensee must maintain such confidential information as confidential and use a commercially reasonable degree of care to avoid unauthorized access, disclosure, or use of such confidential information. The confidential information may only be used to support Licensee's performance of its obligations and exercise of its rights under this EULA. Except for the specific rights granted by this EULA, the confidential information cannot be used (directly or indirectly), disclosed, or disposed of for any other purpose except with the prior written consent of Licensor.

**4. TRANSFER.**

- a. Licensee may pass on the Software in full to a third party only if Licensee has purchased a license pursuant to a one-time payment and complies with the conditions provided in subsection 4(b) below, and upon the complete and final surrender of its own use of the Software. The Software may not be used temporarily or partially by third parties under any circumstances whatsoever, whether in exchange for payment or free of charge. If Licensee has licensed the Software on a subscription basis, Licensee may not transfer the Software to any third party.
- b. Any transfer of the Software requires written permission of Licensor. Licensor shall issue its approval if (i) the third party to which Licensee intends to transfer the Software is not a competitor of Licensor or acting on behalf of a competitor of Licensor; (ii) Licensee assures Licensor in writing that it has passed on all original copies of the Software to the third party and deleted all copies that it has made, and (iii) the third party confirms to Licensor in writing that it agrees to be bound by the provisions of this EULA, including but not limited to the use and transfer terms set forth herein. Licensee shall bear any costs and expenses incurred by TRUMPF TR for transferring the License.

**5. DATA COLLECTION.** The software may collect information about Licensee and Licensee's use of the Software which will be transmitted to TRUMPF TR. TRUMPF TR may use this information to provide services and improve TRUMPF TR's products and services. Some features in the Software may enable collection of data from users of your applications that access or use the software. If Licensee uses these features to enable data collection in its application, Licensee is solely responsible for compliance with any applicable law, including obtaining any requisite user consent and maintaining a prominent privacy policy that accurately informs users about how it uses, collects, and shares data.

**6. EXPORT RESTRICTIONS.** Export and re-export of software provided by TRUMPF TR is subject to Laws of Republic of Turkey and the laws of the jurisdiction in which the software was obtained. In particular, but without limitation, the Software licensed hereunder may not be exported or re-exported (i) into any Turkey embargoed countries or (ii) to real or legal person in the Turkish Ministry of Commerce's list of sanctions or any other restricted party lists.

- a. Licensor shall not be liable for any consequences caused by or related to obstacles due to national or international regulations of customs and foreign trade law, including but not limited to embargoes and/or other sanctions that interfere with Licensor's ability to perform its duties.
- b. By using the Software, Licensee agrees to fully comply with all relevant national and international export and re-export control regulations. Without narrowing the foregoing, Licensee agrees to ensure that the Software and derivations thereof are not (i) downloaded, exported, re-exported or directly or indirectly transferred contrary to any applicable economic sanction or export regulation, or (ii) delivered

to national or legal persons who are otherwise not permitted to purchase, license or use the software. Licensee also agrees it will not use the Software for any purposes prohibited by Turkish Laws, including, without limitation, the development, design, manufacture or production of missiles, nuclear, chemical or biological weapons. Licensee shall defend and indemnify Licensor for any claims or proceedings that arise out of Licensee's failure to comply with this subsection 6(b).

**7. SUPPORT SERVICES.** Any support services provided in connection with the Software will be specified in the Licensee Sales Order. Any such support provided is "as is", "with all faults", and without warranty of any kind.

**8. AUDIT.** Licensor may audit Licensee's use of Software pursuant to this EULA, including to verify that Licensee has not exceeded the Floating Licenses limit or violated any other prohibition of this EULA. Licensor shall bear the cost of any such audit except in the event that the audit determines that Licensee has violated this EULA, in which case Licensee shall bear any such costs.

**9. LIMITED WARRANTY.** TRUMPF TR warrants that (a) the Software will perform substantially in accordance with the accompanying written materials for a period of ninety days from the date of receipt of the Software (the "Warranty Period"), and (b) any warranty services provided by TRUMPF TR shall be substantially as described in applicable written materials provided to you by TRUMPF TR, and TRUMPF TR support engineers will make commercially reasonable efforts to solve any problem. To the extent allowed by applicable law, any and all warranties are limited to the Warranty Period. TRUMPF TR's and its suppliers' entire liability, and your exclusive remedy shall be, at TRUMPF TR's option, either (i) return of the price paid for the Software, if any, or (b) repair or replacement of the Software that does not meet this Limited Warranty. This Limited Warranty is void if Licensee (or any entity other than Licensor) modifies the Software or any of the Open Source Components or uses the Software in any hardware environment other than according to directions provided by Licensor, or in any way not permitted by this EULA. Any replacement software will be warranted for the remainder of the original warranty or thirty days, whichever is longer. All warranty claims must be made within the Warranty Period.

**DISCLAIMER OF OTHER WARRANTIES. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, TRUMPF TR AND ITS SUPPLIERS DISCLAIM ALL OTHER WARRANTIES AND CONDITIONS, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT WITH REGARD TO THE SOFTWARE, AND THE PROVISION OF OR FAILURE TO PROVIDE SUPPORT SERVICES. THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY HAVE OTHERS, WHICH VARY FROM JURISDICTION TO JURISDICTION.**

**10. LIMITATION OF LIABILITY. TO THE MAXIMUM EXTENT PERMITTED BY LAW, IN NO**

**EVENT SHALL TRUMPF TR OR ITS SUPPLIERS BE LIABLE FOR ANY COMPENSATORY, SPECIAL, INCIDENTAL, INDIRECT, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES WHATSOEVER (INCLUDING WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, OR ANY OTHER PECUNIARY LOSS) ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE OR THE FAILURE TO PROVIDE SUPPORT SERVICES, EVEN IF TRUMPF TR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN ANY CASE, TRUMPF TR'S ENTIRE LIABILITY UNDER ANY PROVISION OF THESE LICENSE TERMS SHALL BE LIMITED TO THE GREATER OF THE AMOUNT ACTUALLY PAID BY YOU FOR THE SOFTWARE; PROVIDED, HOWEVER, IF YOU HAVE ENTERED INTO A TRUMPF TR SUPPORT SERVICES AGREEMENT, TRUMPF TR'S ENTIRE LIABILITY REGARDING SUPPORT SERVICES SHALL BE GOVERNED BY THE TERMS OF THAT AGREEMENT. THE FOREGOING LIMITATIONS WILL APPLY EVEN IF THE ABOVE STATED REMEDY FAILS OF ITS ESSENTIAL PURPOSE.**

**This limitation applies to (a) anything related to the Software, services, content (including code) on third-party Internet sites, or third party applications; and (b) claims for breach of contract, warranty, guarantee, or condition; strict liability, negligence, or other tort; or any other claim; in each case to the extent permitted by applicable law.**

**Because some jurisdictions do not allow the exclusion or limitation of certain liabilities, the above limitation may not apply, in whole or in part, to Licensee.**

**11. TERMINATION.** Without prejudice to any other rights, TRUMPF TR may terminate this agreement if Licensee fails to comply with any term of this EULA. In such event, Licensee must destroy or return all copies of the Software and all of its component parts.

**12. CONTROLLING LAW AND SEVERABILITY.** This EULA will be governed by and construed in accordance with the laws of the Republic of Turkey, excluding its conflict of law principles. This EULA shall not be governed by the United Nations Convention on Contracts for the International Sale of Goods, the application of which is expressly excluded. If for any reason, a court or tribunal of competent jurisdiction finds any provision, or portion thereof, to be unenforceable, the remainder of these License Terms shall continue in full force and effect.

**13. COMPLETE AGREEMENT, GOVERNING LANGUAGE.** This EULA, and any License Note in which the terms of this EULA are incorporated by reference, shall constitute the entire agreement between Licensor and Licensee relating to the use of the Software and supersedes all prior or contemporaneous understandings regarding such subject matter. No amendment to or modification of this EULA shall be binding unless in a writing signed by TRUMPF TR. Any translation of this EULA is done for local requirements and in the event of a dispute between the Turkish and non-Turkish versions, the Turkish version of this EULA shall prevail.
