Supplier and any descriptions or illustrations contained in the Supplier's catalogues or brochures are produced for the sole purpose of giving an approximate idea of the Goods described in them and they shall not form part of the Contract or have any contractual force.

2.6 A quotation for the Goods given by the Supplier shall not constitute an offer. A quotation shall only be valid for a period of 30 Days from its date of issue.

2.7 In the event of any conflict or inconsistency between the documents which together comprise the Contract, the following descending order of priority shall apply:

- a. the Order Confirmation;
- b. these Conditions;
- c. the Installation Conditions;
- d. the Specification;
- e. any written agreement made between the parties into which these Conditions are incorporated; and
- f. the Order.

3. GOODS

3.1 The Goods are described in the Specification.

3.2 The Supplier reserves the right to amend the Specification if and to the extent required by any applicable statutory or regulatory requirements.

4. DELIVERY

4.1 The Supplier will notify the Customer if the Supplier requires the Customer to return any packaging materials to the Supplier. The Customer shall make any such packaging materials available for collection at such times as the Supplier shall reasonably request. Disposal of all other packaging materials shall be the responsibility, and at the cost, of the Customer. The Customer should retain all transportation aids or installation equipment supplied with the Goods in case the Goods need to be relocated in the future.

4.2 The Supplier shall deliver the Goods to the location set out in the Order Confirmation or such other location as the parties may agree in writing (**Delivery Location**).

4.3 Delivery of the Goods shall be completed on the Goods' arrival at the Delivery Location. The Supplier (or its carrier) will deposit the goods as reasonably directed by the Customer or, in the absence of such direction, as the Supplier (or its carrier) determines appropriate, acting reasonably.

4.4 Any dates quoted for delivery are approximate only, and the time of delivery is not of the essence. Subject to clause 9.1, the Supplier shall not be liable for any delay in delivery of the Goods.

4.5 Subject to clause 9.1, if the Supplier fails to deliver the Goods, its liability shall be limited to the costs and expenses incurred by the Customer in obtaining replacement goods of similar description and quality in the cheapest market available, less the price of the Goods. The Supplier shall have no liability for any failure to deliver the Goods to the extent that such failure is caused by a Force Majeure Event or the Customer's failure to provide the Supplier with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.

4.6 At an appropriate point (in the Supplier's reasonable opinion) during the manufacturing process the Supplier will contact the Customer to agree a date for delivery of the Goods to take place. If the Customer fails to take delivery of the Goods on the agreed delivery date, then, except where such failure or delay is caused by a Force Majeure Event or the Supplier's failure to comply with its obligations under the Contract:

- a. the Customer will reimburse the Supplier's costs of any failed delivery attempt;
- b. delivery of the Goods shall be deemed to have been completed at 9.00 am on the date which the Supplier attempted delivery; and

Terms & Conditions for the Supply of Goods by TRUMPF Ltd.

(excluding TruPulse nano and TruFiber P compact lasers and their accessories)

- c. the Supplier shall store the Goods until delivery takes place and charge the Customer for all related costs and expenses (including insurance).

4.7 If the Customer fails to agree a delivery date with the Supplier within 5 Business Days after the day on which the Supplier notifies the Customer that the Goods are ready for delivery or if, having agreed a delivery date, the Customer fails to take delivery of them within 5 Business Days after that agreed delivery date, the Supplier may resell or otherwise dispose of part or all of the Goods and, after deducting reasonable storage and selling costs, as applicable, account to the Customer for any excess over the price of the Goods or charge the Customer for any shortfall below the price of the Goods.

4.8 If installation services are included in the Order Confirmation, subject to the Customer complying with its payment obligations and its obligations under this clause 4 and the Installation Conditions, the Supplier shall install and commission the Goods. Any dates quoted for installation or commissioning of the Goods are approximate only and are not of the essence of the Contract.

4.9 Where the Goods are to be delivered in instalments, each delivery shall not constitute a separate contract, provided that where the Customer places more than one Order with the Supplier, each separate Order Confirmation, together with these Conditions and the other documents referred to in them, shall constitute a separate Contract.

5. QUALITY

5.1 The Supplier warrants that:

- a. on delivery, the Goods shall:
 - i. conform in all material respects with the applicable Specification; and
 - ii. be fit for any purpose held out by the Supplier in the Proposal; and
- b. on delivery, and for the warranty period set out in the Proposal (or, if no warranty period is set out in the

Proposal, the period of 12 months), starting on the date of delivery (**Warranty Period**), the Goods and the parts and components of them (including spare parts but excluding consumables and wearing parts) shall be free from defects in materials and workmanship that prevent the Goods from materially conforming to their relevant Specification; and

- c. any installation services, training and production support included in the Order Confirmation will be provided using reasonable skill and care.

5.2 Subject to clause 5.3, if:

- a. the Customer gives notice in writing to the Supplier during the Warranty Period within a reasonable time of discovery that any Goods or any part or component of the Goods does not comply with the warranty set out in clause 5.1(b);
- b. the Supplier is given a reasonable opportunity of examining such Goods, part or component; and
- c. the Customer allowing the Supplier reasonable access to collect such Goods, part or component from the Customer's premises, the Supplier shall, at its option, repair or replace (with new or reconditioned parts), at the Supplier's option, the defective parts and/or components of the Goods (the replaced parts and/or components becoming the property of the Supplier immediately upon replacement, with risk in them passing back to the Supplier when collected from the Customer).

5.3 The Supplier shall not be liable for Goods' (or any part or component of the Goods') failure to comply with the warranty set out in clause 5.1 in any of the following events:

- a. the Customer makes any further use of such Goods, part or component after giving notice in accordance with clause 5.2;
- b. the defect arises because the Customer or any third party failed to follow the Supplier's oral or written instructions as to the storage,

- c. the defect arises as a result of the Supplier following any drawing, design or specification supplied by the Customer;
- d. the Customer or any third party alters or repairs such Goods without the written consent of the Supplier;
- e. the defect arises as a result of fair wear and tear, willful damage, negligence, corrosion, erosion, exposure to environmental conditions or abnormal storage or working conditions;
- f. the defective part or component is a consumable or a wearing part (i.e. a part which is subject to reasonable wear and tear);
- g. damage is caused to the Goods (or any part or component) by other devices or equipment with which the Goods are used; or
- h. the Goods differ from their description and/or the Specification as a result of changes made to ensure they comply with applicable statutory or regulatory requirements.
- 5.4 Any repaired or replaced Goods shall be re-delivered by the Supplier free of charge to the Customer's premises referred to in the Order Confirmation and otherwise in accordance with and subject to these Conditions. Title in the defective Goods shall remain with the Customer until the replacement Goods have been delivered to the Customer, whereupon title to the defective Goods will pass to the Supplier. Risk in the defective Goods will remain with the Customer until their collection by the Supplier or its carrier, whereupon it will pass to the Supplier.
- 5.5 Except as provided in this clause 5, the Supplier shall have no liability to the Customer in respect of the Goods' failure to comply with the warranty set out in clause 5.1.
- 5.6 The terms implied by sections 13 to 15 of the Sale of Goods Act 1979 are, to the fullest extent permitted by law, excluded from the Contract.
- 5.7 These Conditions shall apply to any repaired or replacement Goods, parts or components supplied by the Supplier.
- ### 6. TITLE AND RISK
- 6.1 The risk in the Goods shall pass to the Customer on completion of delivery (meaning the Supplier's or its carrier's vehicle's arrival at the Delivery Location or, if and where applicable, upon deemed delivery having occurred under these Conditions).
- 6.2 Title to the Goods shall not pass to the Customer until the Supplier has received payment in full (in cash or cleared funds) for:
- the Goods; and

- 6.3 Until title to the Goods has passed to the Customer, the Customer shall:

 - store the Goods at the Delivery Location and ensure that they remain readily identifiable as the Supplier's property;
 - not remove, deface or obscure any identifying mark on or relating to the Goods;
 - maintain the Goods in satisfactory condition and keep them insured against all risks for their full price from the date of delivery and assign the benefit of any insurance claim relating to the Goods to the Supplier from the date risk therein passes to the Customer until the passing of the title thereto to the Customer and the Supplier shall be entitled to inspect the insurance policy on request;
 - notify the Supplier immediately if it becomes subject to any of the events listed in clause 8.2;

(excluding TruPulse nano and TruFiber P compact lasers and their accessories)

- f. give the Supplier such information relating to the Goods as the Supplier may require from time to time; and
 - g. retain the Goods free from any charge, lien or other encumbrance and not resell, assign, pledge, mortgage, charge, let, part with possession or otherwise dispose of the goods or any part thereof nor use the Goods (other than for testing purposes) until it has paid for them in full.
- 6.4 If before title to the Goods passes to the Customer the Customer becomes subject to any of the events listed in clause 8.2, or the Supplier reasonably believes that any such event is about to happen and notifies the Customer accordingly, then, without limiting any other right or remedy the Supplier may have, the Supplier may at any time require the Customer to deliver up the Goods and, if the Customer fails to do so promptly, enter any premises of the Customer or of any third party where the Goods are stored in order to recover them.
- ### 7. PRICE AND PAYMENT
- 7.1 The price of the Goods shall be the price set out in the Order Confirmation (and payable in the currency set out in the Order Confirmation), or, if no price and/or currency is set out in the Order Confirmation, the price and/or currency set out in the Supplier's Proposal.
- 7.2 The Supplier may, by giving notice to the Customer at any time before delivery, increase the price of the Goods to reflect any increase in the cost of the Goods that is due to:
- a. any factor beyond the Supplier's control (including foreign exchange fluctuations, increases in taxes and duties, and increases in labour costs, costs of materials and other manufacturing costs);
 - b. any request by the Customer to change the delivery date(s), quantities or types of Goods ordered, or the Specification; or
 - c. any delay caused by any instructions of the Customer or failure of the Customer to give the Supplier adequate or accurate information or instructions.
- 7.3 The price of the Goods is exclusive of amounts in respect of value added tax (VAT). The Customer shall, on receipt of a valid VAT invoice from the Supplier, pay to the Supplier such additional amounts in respect of VAT as are chargeable on the supply of the Goods.
- 7.4 The Supplier may invoice the Customer for the Goods in accordance with clause 7.6 or, if different, in accordance with the timings set out in the Order Confirmation.
- 7.5 The Customer shall pay each invoice in full and in cleared funds by the relevant payment date set out in clause 7.6 or, if different, as set out in the Order Confirmation. Payment shall be made to the bank account nominated in writing by the Supplier. Time for payment shall be of the essence of the Contract and if the Customer fails to make any payment due under the Contract, or under any other contract between the Customer and the Supplier, on the due date for payment the Supplier shall (without limiting or affecting any of its other remedies) be entitled, at its option, to suspend manufacture, delivery, installation and/or commissioning of the Goods or (if the Customer remains in default 14 days after being notified to make such payment) to terminate the Contract in accordance with clause 8.4.
- 7.6 Except to the extent that the Order Confirmation states otherwise, the following payment terms shall apply:
- a. When the Supplier issues the Order Confirmation, the Supplier shall invoice the Customer for a deposit payment (which, unless stated otherwise in the Order Confirmation, shall be an amount equal to 25% of the total price of the Goods including packaging, insurance and transport) ("**Deposit**"). The Deposit is not refundable in any circumstances other than if the Customer validly terminates the Contract due to the Supplier's material unremedied breach of the Contract (under clause 8.3);

(excluding TruPulse nano and TruFiber P compact lasers and their accessories)

- b. the Supplier shall reserve a manufacturing time slot for the Goods when it issues its invoice for the Deposit but shall not start to manufacture the Goods until it has received full payment of the Deposit in cleared funds. Payment of the Deposit must be received within 7 days of the date of the invoice otherwise the manufacturing slot shall be released and the estimated delivery time of the machine shall be extended;
 - c. the Supplier shall notify the Customer in writing, subject to and after receiving full payment of the Deposit, that the Goods have been approved for manufacture. The Supplier shall notify the Customer when the machine is ready for delivery and delivery shall then take place in accordance with clause 4;
 - d. the Supplier shall invoice the Customer for the delivery instalment of the price (which, unless stated otherwise in the Order Confirmation, shall be an amount equal to 70% of the total price) ("**Delivery Instalment**") before the estimated date for delivery. Payment of the Delivery Instalment must be received by the Supplier on or before the estimated date of delivery otherwise the Supplier may, at its option, suspend delivery or leave the machine in an inoperative state after delivery. If the Customer pays the Delivery Instalment after the machine has been delivered, the Supplier reserves the right to make an additional charge at its standard rate for a subsequent engineer's visit to put the machine into an operative state;
 - e. the Supplier shall invoice the Customer the balance of the total price (which, unless stated otherwise in the Order Confirmation, shall be an amount equal to 5% of the total price) ("**Final Instalment**") on or after delivery or deemed delivery under these Conditions.
 - f. All invoices must be paid within 30 days of the relevant invoice date or, if earlier, by the relevant date set out in this clause 7 or the Order Confirmation.
- 7.7 If the Customer fails to make any payment due to the Supplier under the Contract by the relevant due date for payment, the Customer shall pay interest on the overdue amount at the rate of 4% per annum above HSBC Bank's base rate from time to time. Such interest shall accrue on a daily basis from the due date until actual payment of the overdue amount, whether before or after judgment. The Customer shall pay the interest together with the overdue amount.
 - 7.8 The Customer shall pay all amounts due under the Contract in full without any set-off, counterclaim, deduction or withholding (except for any deduction or withholding required by law). The Supplier may at any time, without limiting any other rights or remedies it may have, set off any amount owing to it by the Customer against any amount payable by the Supplier to the Customer.
 - 7.9 If the Customer fails to comply or is late complying with its obligations under the Installation Conditions and such failure results in a delay or additional work for the Supplier, the Supplier may invoice the Customer, and the Customer shall be liable, for the Supplier's reasonable additional charges in respect of that delay or additional work.
- ## 8. TERMINATION
- 8.1 If the Customer becomes subject to any of the events listed in clause 8.2, or the Supplier reasonably believes that the Customer is about to become subject to any of them and notifies the Customer accordingly, then, without limiting any other right or remedy available to the Supplier, the Supplier may cancel or suspend all further deliveries under the Contract or under any other contract between the Customer and the Supplier without incurring any liability to the Customer, and all outstanding sums in respect of Goods delivered to the Customer shall become immediately due.
