3.6 The Supplier shall only use Equipment for the manufacture of Goods for TRUMPF, and not for any other customer.

3.7 The Supplier shall ensure that all Equipment used for the manufacture of Goods for TRUMPF is available for inspection on reasonable notice in accordance with Condition 17.6.

- 9 CHARGES AND PAYMENT**
- 9.1 The price for the Goods:
- 9.1.1 shall be the price set out in the TRUMPF PO; and

If the liabilities to be set off are expressed in different currencies, TRUMPF may convert either liability at a market rate of exchange for the purpose of set-off. - 11.3 Save in respect of any liability arising under Condition 11.2, TRUMPF's liability to the Supplier shall be limited to the value of the Goods or Services ordered on the face of the TRUMPF PO.
- 11.4 This Condition 11 shall survive termination of the Contract.

During the term of the Contract, and whilst the obligation to maintain insurance is in place, the Supplier undertakes not to invalidate any insurance policy or prejudice TRUMPF's entitlement under any insurance policy.

13 CONFIDENTIALITY

- 13.1 Each party undertakes that it shall not at any time during the Contract and for a period of five years after termination of the Contract disclose to any person any confidential information concerning the business, affairs, customers, clients or suppliers of the other party, except as permitted by Condition 13.2.
- 13.2 Each party may disclose the other party's confidential information:
- (a) to its employees, officers, representatives, subcontractors or advisers who need to know such information for the purposes of carrying out the party's obligations under the Contract. - 13.3 The Supplier shall not, and shall procure that its personnel, agents and subcontractors do not use any TRUMPF Materials or confidential information of TRUMPF for any purpose other than the performance of its obligations under the Contract. The Supplier may only use ideas, techniques or know-how gained in the performance of the Contract in its normal course of business to the extent that such use does not disclose TRUMPF's confidential information or infringe any TRUMPF Intellectual Property Rights.
- 13.4 Where requested by TRUMPF, the Supplier shall procure that its personnel sign a confidentiality undertaking.

14 TERMINATION

- 14.1 Without affecting any other right or remedy available to it TRUMPF may either suspend a Contract or any part of an TRUMPF PO under that Contract or terminate the Contract in whole or in part:
- 14.1.1 with immediate effect by giving written notice to the Supplier if:
- (a) there is a change of control of the Supplier;
- (b) the Supplier's financial position deteriorates to such an extent that in TRUMPF's reasonable opinion the Supplier's capability to adequately fulfil its obligations under the Contract has been placed in jeopardy;
- 14.1.2 for convenience by giving written notice to the Supplier.
- 14.2 Without affecting any other right or remedy available to it, either party may either suspend a Contract or terminate the Contract in whole or in part with immediate effect by giving written notice to the other party if:
- 14.2.1 the other party commits a material breach of any term of the Contract which breach is irremediable or (if such breach is remediable) fails to remedy that breach within a period of 30 days after being notified in writing to do so;
- 14.2.2 the other party takes any step or action in connection with its entering administration, provisional liquidation or any composition or arrangement with its creditors (other than in relation to a solvent restructuring), being wound up (whether voluntarily or by TRUMPF PO of the court, unless for the purpose of a solvent restructuring), having a receiver appointed to any of its assets or ceasing to carry on business or, if the step or action is taken in another jurisdiction, in connection with any analogous procedure in the relevant jurisdiction; or

14.2.3 the other party suspends, or threatens to suspend, or ceases or threatens to cease to carry on all or a substantial part of its business.

- 14.3 Any Contract made in accordance with these Conditions shall automatically terminate on completion of the supply of the Goods and/or Services ordered in the TRUMPF PO.

15 CONSEQUENCES OF TERMINATION

- 15.1 On termination of the Contract, the Supplier shall immediately deliver to TRUMPF all Deliverables whether or not then complete, and return any and all Equipment and TRUMPF Materials. If the Supplier fails to do so, then TRUMPF may enter the Supplier's premises and take possession of them. Until they have been returned or delivered, the Supplier shall be solely responsible for their safe keeping and will not use them for any purpose not connected with the Contract.
- 15.2 Termination of the Contract shall not affect the parties' rights and remedies that have accrued as at termination, including the right to claim damages in respect of any breach of the Contract which existed at or before the date of termination.
- 15.3 Any provision of the Contract that expressly or by implication is intended to come into or continue in force on or after termination of the Contract shall remain in full force and effect.
- 15.4 If TRUMPF terminate for convenience under Condition 14.1.2 then TRUMPF will be liable for any finished products, work in progress and/or unique materials (materials which have been designed or selected specifically for TRUMPF and which cannot be resold or used by Supplier) and components directly linked to the cancelled TRUMPF PO. The Supplier will follow industry standard steps to mitigate liability in case of such events and report to TRUMPF the results of such mitigation actions. The Supplier needs to provide liability data, with supporting justification, within 15 Working Days of notification of cancellation. TRUMPF will generate an TRUMPF PO for all fair and reasonable excess or obsolete material, providing they are mutually agreed between TRUMPF and the Supplier within 120 days.

Such events include without limitation, acts of God, explosion, fire, earthquake, flood, drought, peril of the sea, riot, embargo, terrorism or war. If the period of delay or non-performance continues for 30 days the party not affected may terminate this agreement by giving 30 days' written notice to the affected party.

- 17.4 A notice or other communication shall be deemed to have been received: when delivered by a reputable international courier, or if delivered by e-mail, the authorised representative has responded in writing that the notice or communication has been received, which writing explicitly excludes any automatic delivery or automatic receipt notice.
- 17.5 Conditions 17.3 and 17.4 do not apply to the service of any proceedings or other documents in any legal action or, where applicable, any other method of dispute resolution.
- 17.6 The Supplier shall allow TRUMPF (its professional advisors or customers) to access the Supplier's premises, personnel, systems and records on reasonable notice during working hours to verify the charges, inspect the Supplier's facilities or quality control procedures or to conduct environmental management system audits in order to verify the Supplier's compliance with these Conditions. TRUMPF shall hold information accessed, and or copied, during such audit confidential in accordance with Condition 13.
- 17.7 The Supplier shall have in place, and maintain for the duration of the fulfilment of the Contract, appropriate business continuity and disaster recovery plans to minimise disruption to its business and restore services as soon as reasonably possible. The Supplier shall provide copies of such business continuity/disaster recovery plans to TRUMPF on request, and shall conduct appropriate testing and assurance as to their effectiveness in different scenarios.
- 17.8 If any provision or part-provision of the Contract is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to or deletion of a provision or part-provision under this Condition shall not affect the validity and enforceability of the rest of the Contract.
- 17.9 A waiver of any right or remedy under the Contract or by law is only effective if given in writing and shall not be deemed a waiver of any subsequent right or remedy. A failure or delay by a party to exercise any right or remedy provided under the Contract or by law shall not constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict any further exercise of that or any other right or remedy. No single or partial exercise of any right or remedy provided under the Contract or by law shall prevent or restrict the further exercise of that or any other right or remedy.
- 17.10 Nothing in the Contract is intended to, or shall be deemed to, establish any partnership or joint venture between the parties, constitute either party the agent of the other, or authorise either party to make or enter into any commitments for or on behalf of the other party.
- 17.11 The Contract constitutes the entire agreement between the parties and supersedes and extinguishes all previous agreements, promises, assurances,

warranties, representations and understandings between them, whether written or oral, relating to its subject matter.
