Company Profile

TRUMPF Inc. (TRUMPF) is a wholly-owned subsidiary of the TRUMPF Group, a multinational and privately-held group based in Germany. Dedicated to serving the manufacturing needs of the American, Canadian and Mexican markets, TRUMPF is currently the largest manufacturer of fabricating equipment and industrial lasers in North America. It was founded as TRUMPF America Inc. in 1969.

Headquarters and Other Offices

The TRUMPF North American headquarters is located in Farmington, Connecticut. TRUMPF also operates technology centers in California, Illinois, Michigan, New Jersey, Mexico and Canada. TRUMPF Inc. includes the Farmington, Connecticut facility, the Laser Technology Center in Plymouth, Michigan, the TRUMPF Technology Center in Costa Mesa, California and the TRUMPF Smart Factory in Hoffman Estates, Illinois. The Hoffman Estates location serves as the international center of excellence in Industry 4.0.
