

Webasto 50 Webasto
Jörn Schmalenberg " 400 800 " Webasto

Webasto Thermo & Comfort SE

www.webasto.com

The timeline diagram illustrates the historical ownership of Webasto. It begins with a horizontal bar representing the year 1901, followed by a vertical bar indicating a split into two parts: a 50% share held by the 'Webasto' family and a 70% share held by the 'SLV' (Südostdeutsche Versicherungsvereine) group. This structure remained until 2012, at which point it was further divided: the 'Webasto' family's 50% share was sold to Fraunhofer IGP, while the remaining 70% of SLV's share was sold to the Chinese company GAC.
