Predictive Service Center  
TRUMPF

— Service App

A screenshot of the TRUMPF Service App interface. At the top, it says "TRUMPF Service App". Below that, there's a "Technical Guide" section with three numbered items: 1. ACB Laser, 2. [redacted], and 3. [redacted]. Underneath this is a "Performance" section with a progress bar labeled "70%". The progress bar has several segments: "App" (green), "TRUMPF" (blue), "Visual Assistance" (orange), and "Performance" (yellow). There are also some red bars at the bottom.

## Performance Check
